

Celebrating SPJST's 125th Anniversary in 2022

... and Czech Heritage Month in Texas! October is a special time to celebrate the rich cultural heritage of American Czechs and the many contributions they have made to American culture. In celebration, the Vestnik invites you to participate in its Czech Heritage Month activities. This week's activity doubles as a youth Vestnik Project - but EVERYONE is welcome to complete and send in the activity! Several Czech-themed prizes will be awarded in a drawing from entries received.

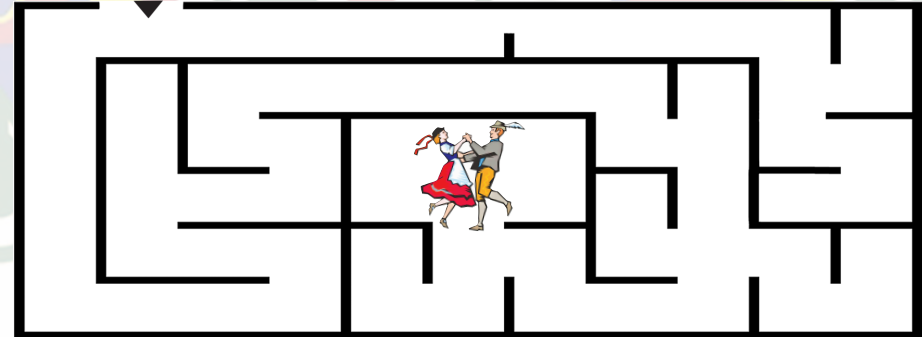

Draw lines from the workers to the equipment/items they need to do their jobs. Then color.

Little Czech mole Krtek enjoys his new hobby. Using the word list, locate and circle the items in the picture.
