HEARTBEAT HEROES

# Baking Up KINDNESS

In the month of love, we extend our appreciation through the act of baking. Join us in Baking Up Kindness as we prepare and share cookies or treats with the heroes in our community. A sweet gesture to show our gratitude and spread warmth to those who make our community extraordinary.

Photograph your baked goods and members who participated. Submit photos and details at [spjst.org/gives](https://spjst.org/gives) and share it on social media using [#spjstgives](https://twitter.com/spjstgives).
