BOOK BONANZA

Gather new or gently used books, games, puzzles, and more to give to an organization or individuals in need. Your treasures can find new life in the hands of those eager to explore new worlds through the magic of books and games. Let's make this month a bonanza of learning and joy!

Photograph your contributions and members who participated. Submit photos and details at spjst.org/gives and share it on social media using [#spjstgives](https://twitter.com/spjstgives).
