Consumer Authorization for Direct Payment Via ACH (ACH DEBIT)

Here's How ACH Direct Payments Work:
Direct payment via ACH is the transfer of funds from a consumer account for the purpose of making a payment. You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated on the Authorization section of this form. The charge will appear on your bank statement as an "ACH Debit." You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.

What are its advantages?

1. SPJST prepares the automated clearing house (ACH) debit for your premiums, loan payments, annuity payments, or any other type of payments as they become due - you do nothing.
2. An accidental lapse of your policy is prevented, since you did not need to mail us your premiums.
3. All payments are made on time.
4. You save postage by not having to mail us your checks.

Can I pay for several certificates or loans on one ACH?
Yes. One ACH debit will pay for all SPJST life or annuity certificates and loan payments.

How am I protected?
SPJST guarantees that we will draw ACH debits only as authorized by you. If we do draw an ACH in error, we will, upon notice of the error, make the proper corrections and advise your bank that it was our mistake.

Can I make monthly annuity contributions by ACH?
Yes. Many members make annuity deposits automatically to SPJST each month.

How do I increase the deduction?
When you buy additional certificates from us or want to increase your payments, we request that you complete a new Authorization form.

What if I change banks?
Notify us in writing or telephone toll free, and we will send you a new authorization card to complete and sign or you can complete a new form on our website, www.spjst.org. Return the signed form to us, along with a voided check, just as you did when you first authorized this plan.

Can I cancel this plan?
Yes! At any time you wish. Simply notify us in writing at PO Box 100, Temple, TX 76503 and we will stop the plan. However, certain certificates that have not authorized ACH debits will not be billed on a monthly basis but will instead require quarterly payments.

How do I start this plan?

1. Complete the Authorization side of this form.
2. Fill in the bank name and address.
3. Fill in the number assigned to your checking account and the routing number.
4. Fill in the depositor's name(s) as they appear on the bank's records.
5. If you want to draft a specific day, please so indicate where provided. Some limitations apply.
6. Return the entire authorization form to us, along with a voided check from the bank account on which the ACH debits are to be drawn.
7. Sign and date the card. Use signature(s) as it (they) appear(s) on your (joint) bank account.
8. Return the form to us in the envelope provided or mail to: SPJST, Attn: Financial Secretary's Department, PO Box 100, Temple, TX 76503.
9. SPJST will do the rest.

Attach Voided Check Here.

Please check with your bank regarding debiting your savings account. I (We) agree that ACH transactions I (we) authorize comply with all applicable laws.

Name of Joint Bank Account Owner			
Address, if different than above	City	State	Zip Code

I (We) further agree that:

1. SPJST's rights in respect to each such ACH transaction shall be the same as if it were a check payable to SPJST and signed personally by me (us).
2. For new business initial payments, I (we) authorize SPJST to make an immediate ACH debit from the bank account listed above upon receipt of this Authorization.
3. ACH transaction(s) will be debited from the specified account on or about the date you select for premium, annuity and certificate loan payments unless that day falls on a weekend or holiday. If the scheduled date falls on the weekend or on a holiday, SPJST reserves the right to debit the account on the nearest business day before the scheduled date. If I (we) have selected the ACH transaction to occur on the 29th, 30th, or 31st day of the month, SPJST will make the draw on or before the 28th day of the month. If no day is selected, SPJST will use the earliest issue date of a certificate listed. Allow two to three days for the movement of funds. All mortgage loan payments are debited on the first business day of the month.
4. This authorization will remain in effect until I (we) notify SPJST in writing at PO Box 100, Temple, TX 76503 ("HOME OFFICE") that I (we) wish to revoke this authorization. I (we) understand that SPJST requires at least three (3) business days prior written notice in order to cancel this authorization.
5. If any such ACH is dishonored, whether with or without cause and whether intentionally or inadvertently, SPJST shall have no liability whatsoever even if such dishonor results in the forfeiture of insurance or delinquent loan payment.
6. SPJST may revoke the privilege of paying premium(s) or loan payment(s) under this Authorization if any payment is dishonored. If such privilege is revoked, an alternate payment mode acceptable to SPJST will be used to remit the premiums needed to keep the certificates / loans in force and current.
7. **A service fee of $25.00 may be assessed for each dishonored payment.**
8. Any requirement for giving notice of premiums or payments due shall be waived so long as this ACH form is in effect for the payment of premiums; but no payment shall be deemed to have been made unless and until SPJST receives actual payment at its HOME OFFICE. Use of the ACH form shall in no way alter or amend the provisions of the certificates as to premium payment or loans as to loan payments. Requests by me (us) that such ACH transaction(s) be drawn on other than the premium due date does not alter that due date and SPJST in no way waives or modifies such due date or the grace period provisions in connection therewith.
9. ACH transactions drawn under this Authorization for loan repayments, upon being charged to my (our) account by the bank, shall be my (our) receipt for the payment as designated. Should any ACH transaction not be honored by said bank upon presentation, then it is understood that such payment shall be charged back to the certificate(s) or loan(s).
10. I have attached a voided check or a letter from the bank, on letterhead, verifying ABA and account number, that is signed by a bank officer.
11. Changes or modifications to bank account information will require new documentation. However, additional premium that may be required in order to keep the certificate current may be drawn from your account provided we notify you at least 10 days prior to the payment being collected.
12. This authorization can be terminated by SPJST upon 30 days written notice.

-If Applicant Has ANY Existing Life Insurance or Annuity Contracts, This Page Must Be Completed

SPJST
PO Box 100 • Temple, TX 76503 • (800) 727-7578

IMPORTANT NOTICE:
REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the Applicant and the Producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the Insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. **Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ☐YES ☐NO**

2. **Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐YES ☐NO**

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

	INSUROR NAME & ADDRESS	**CONTRACT OR POLICY NUMBER**	**INSURED OR ANNUITANT NAME**	**REPLACED (R) OR FINANCING (F)**
1.				
2.				
3.				

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an In-Force Illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because: _____

I certify that the responses herein are, to the best of my knowledge, accurate:

_____
Proposed Insured's Signature Date

_____ _____
Sales Agent's Signature Date

I do not want this notice read aloud to me. _____ (Applicants must initial only if they do not want the notice read aloud.)

— Return to Home Office —

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it will perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS: Are they affordable?
Could they change?
You're older – are premiums higher for the proposed new policy?
How long will you have to pay premiums for the new policy?
How long will you have to pay premiums for the old policy?

POLICY VALUES: New policies usually take longer to build cash values and to pay dividends.
Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
What surrender charges do the policies have?
What expense and sales charges will you pay on the new policy?
Does the new policy provide more insurance coverage?

INSURABILITY: If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
You may need a medical exam for a new policy.
Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:
How are premiums for both policies being paid?
How will the premiums on your existing policy be affected?
Will a loan be deducted from death benefits?
What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:
Will you pay surrender charges on your old contract?
What are the interest rate guarantees for the new contract?
Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:
What are the tax consequences of buying the new policy?
Is this a tax-free exchange? (See your tax advisor).
Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
Will the existing insurer be willing to modify the old policy?
How does the quality and financial stability of the new company compare with your existing company?

— Return to Home Office —
