

Serving Texans Since 1897

SPJST was founded as a fraternal benefit society in 1897 by pioneers of Czech descent in Texas to ensure the financial security of its members and their families by providing insurance products and options that offer members peace of mind while operating under the insurance laws of Texas.

Your SPJST life insurance or annuity certificate comes with member benefits . . . from scholarships to summer camp for children, to weekend getaways. Your membership also includes thousands of discounts through our special perks program.

Community Service

Through our statewide network of lodges, you can participate in community service projects throughout Texas. We offer volunteer opportunities at hospitals, nursing homes, schools, etc. Our local lodges also offer community events such as fun days, Easter egg hunts, Christmas celebrations, dances, contests, and much more.
